REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year was another successful year for North Myrtle Beach Intermediate School. Our school was awarded a Gold award from the South Carolina Department of Education for our overall school performance on PASS. We were also given the silver award for closing the achievement gaps for our subgroup students. Many of our students exceeded the performance goals set forth by Horry County Schools. Celebrations were held to recognize the students' achievements in academics, attendance and character development.

Our teachers and support staff were also successful. We continued to make progress towards our performance goals included in our strategic plan. Our staff participated in professional development focusing on instructional strategies to improve student achievement in reading and mathematics. A computer assessment program was again utilized to help improve instruction and measure student progress. Teachers collaborated as grade levels and across grade levels to plan standards-based instruction. Many teachers participated in graduate coursework to advance their degrees. Marsha Hurst was selected as Teacher of the Year for our school.

The hard work and dedication of our parents and volunteers, as well as our outstanding community support, enhanced the mission of the school. Proceeds from our annual school fundraiser were used to enhance our school playground. A record number of volunteers worked to support our instructional programs.

During the 2012-2013 school year, we will work with our parents, community members and the School Improvement Council to provide opportunities for our students to excel academically and participate in extracurricular activities. We look forward to another great year as we continue to meet the needs of all children.
